

How can you get the app?

1. Use this link <http://smartguideapp.com/yukon/chamber/app>

- For iPhone devices Safari works best. Tap the options key on center bottom of screen. Find “Add to Home Screen” Click and save.
- Android Internet or Chrome would do. Find 3 dots on top right corner. Find “Add to Home Screen” Click and save.

2. You can use a QR Reader and scan the Yukon Chamber QR Code below.

- If you have an iPhone, scan the QR Code. It will take you to the smartguideapp.com web page. At the bottom of the page click the download button. Should be center of screen. This will bring up options, find the "add to home screen" option, then click add. This will save the Yukon Chamber of Commerce app to your phone.
- If you have an Android, scan the QR code. It will take you to the smartguideapp.com web page. At the top right of the page click the 3 dots. Find the "add to home screen" option, then click add. This will save the Yukon Chamber of Commerce app to your phone.
